2011 NASTT Northwest Chapter Board of Directors Election - Nomination of Scott Gilles

Scott Gilles, C.E.T. of Complete Crossings Inc. is the Construction Manager and V.P. of Business Development. He began his career with CCI as a Construction Supervisor in fall of 2004. After 3 years of gathering field experience he took on a more Operational Role as Construction Manager and later added the Business Development role to his position today. Scott has participated in numerous technical presentations to both Clients and Industry. Scott now oversees the largest group of horizontally trained construction supervisors in all of Canada.

Scott has been participating on the Calgary NASTT board for the last year, and has been active in attending all regional NASTT conferences and exhibits including the No-Dig shows for the past 4 years.

Having seen the origins of the Horizontal Directional Drilling industry in the early 90's Scott is very excited to be given the opportunity to join the NW Regional NASTT Chapter as a board member.
