Dear Mr Dupuis,

On behalf of the Eastern New Brunswick Female Hockey League, I would like to thank you for your sponsorship of our recent championship tournament, the "CCI Weekend of Champions".

As a result of your support, over 100 female minor hockey players were able to participate in this tournament.

Minor hockey is an outlet for the girls to have fun and enjoy playing a sport they love all while learning important life skills through participation and teamwork. Your sponsorship of our program is helping to ensure the success of future generations.

Sincerely,

  
Jason Lyons  
Chair, ENBFHL Board of Directors
