Mr. Ken Birkett
Complete Crossings Inc.

Dear Mr. Birkett,

Please accept our sincere thanks for your support and partnership in bringing the AW139 helicopter to our community and helping us to continue to pursue the vision of saving lives through partnership, innovation and leadership.

Since the AW139 went into active service in September, it has flown 170 missions from our Edmonton base and continues to enhance our life saving capability. On behalf of our patients, their families and friends, whom you may never meet, we would like to sincerely thank you for your support.

We trust the enclosed photograph and certificate of 'co-ownership' memento will remind you of your meaningful participation in our work.

Together we make a difference.

Sincerely,

Andrea Robertson
