Dear CCI Inc.,

It is because of events like CCI Charity Golf Tournament that wish children and their families have the opportunity to share special moments together, away from the rigorous treatments, hospital visits and difficulties so often associated with childhood illness.

We may not tell you often enough, but we at The Children's Wish Foundation of Canada truly appreciate your support. Thanks to you and many other friends, Children's Wish grants upwards of 1,100 wishes each year to children diagnosed with life threatening illnesses in categories like cancer, organ dysfunction and genetic syndromes. In fact, we're granting at least three wishes every day!

Over the years we've worked with 20,000 families. You're part of that legacy. The demand for our services is growing steeply. We are currently working with approximately 1,800 children whose wish has yet to be granted and new children are being introduced to us every day. We pledge to never deny a wish to an eligible child. That solemn promise could not be kept without the generosity and ongoing support of donors like you.

It is difficult to put into words the profound impact that you've had in the lives of children and their families. Perhaps Moms and Dads explain it best:

The wish allowed Robert to think beyond what was happening in his body and his life. It restored a feeling of normalcy. This has given him a sense of hope. I can't thank you enough for that.

Robert's mother

We extend a hearty thank you to everybody involved in CCI Charity Golf Tournament. Your support is important. It is an investment to be proud of.

With every best wish,

Chris Kotsopoulos, CEO
