

CONGRATULATIONS

"Well-run companies are important to the economic health of our country. These companies serve as role models to help make all Canadian businesses better"
Peter Brown, Partner, Deloitte and Co-Leader, Canada's Best Managed Companies program.

*"CIBC proudly congratulates the 2017 winners of Canada's Best Managed Companies, who exemplify business excellence and success," says **Jon Hountalas, Executive Vice President, Business and Corporate Banking, CIBC.** "This year's winners reinforce the significant impact that privately owned Canadian companies are making by pursuing innovation and maintaining a sharp focus on their clients."*

CCI Inc. – Gold Standard Winner

CCI Inc. announced today it has once again requalified as one of Canada's Best Managed Companies. CCI won its initial Best Managed award in 2013 and has successfully retained its status, becoming a Gold Standard winner in 2017! Considered the "go-to" company for designing and constructing trenchless crossings – the most difficult and technical part of projects, CCI continues to be a leader in the industry attributing its success to its sound business strategy of zero failures and highly technical professionals and skilled "360° Team".

*"CCI is tremendously proud to continue to be among such a worthy field of Canadian business success stories," said **David Dupuis, Chief Operating Officer at CCI Inc.** "We credit our talented pool of highly qualified technical people as the key to being able to deliver stellar results, project after project."*

Canada's Best Managed Companies continues to be the mark of excellence for Canadian-owned and managed companies with revenues over \$15 million. Every year since the launch of the program in 1993, hundreds of entrepreneurial companies have competed for this designation in a rigorous and independent process that evaluates their management skills, practices, strategy and ability to execute.

CCI Inc. is a leading expert in Horizontal Directional Drilling (HDD), Open-Cut and Micro-Tunneling methods. Since 2004, we have established ourselves as a driving force in the continued advancement of trenchless pipeline systems and employ proven methods for tackling difficult crossings. CCI provides award winning, highly technical services to the pipeline, oil & gas and municipal infrastructure sectors including: Engineering, Construction Management, Environmental and Geotechnical Services, Forestry Planning & Reclamation Services.
