

Hi Everyone!

This June, I participated in the Kids with Cancer Society "Tour of Hope" cycling tour to help raise funds for programs and services that will assist children in their battle against cancer.

This 3 – 8 day tour started in Jasper National Park, Alberta and covered 200 – 900 kms through the majestic Rockies.

Thanks to your generous donations, we exceeded my fundraising goal to help make this ride a huge success.

For more information please visit [Tour of Hope](http://www.kidswithcancer.ca).

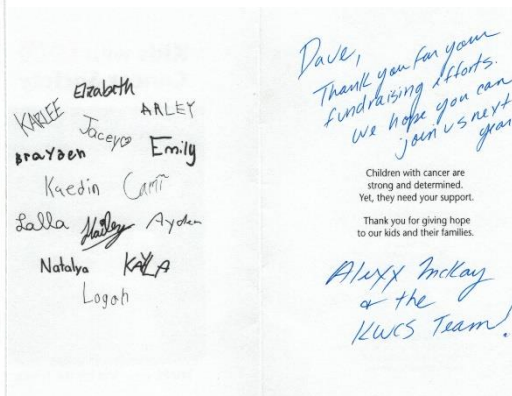

<http://www.kidswithcancer.ca>

Many thanks. The kids are the real heroes here!

David Dupuis
Chief Operating Officer, CCI Inc.

HOPE now and for the future
